2019 WORLD CHAMPIONSHIP ROPE HORSE FUTURITY TERMS AND CONDITIONS

General

Open to 4, 5, and 6 year old horses of all breeds, to be shown in three full rounds of competition, and then the number of horses advancing back to the short go will be determined by the number of entries per class. ARHFA will use the following scale to determine the number of horses advancing to the finals.

1-50 entries -	10 horses back to finals
51-75 entries -	15 horses back to finals
76-100+ entries -	20 horses back to the finals

Scoring/Rules

All events timed with an electric timer on both ends (heading and heeling). Scores are based on two judge's scores, plus the time recorded. An example of an ARHFA score:

Judge 1 = 70 points

Judge 2 = 70 points

Scoring (example) 70 + 70 + (time-6.0 seconds minus a beginning base score of 80 points = 74) = Total Score - 214

Tie scores-for example, if 6 places are paid in a particular go round and there are two identical scores for 6th place, both contestants will be considered 6th place and they will split the winnings. There will be a rope off for ties on first place if needed.

- ⇒ **Barrier and leg Rule**— There is a 10 second penalty for any broken barriers, and a 5 second penalty for roping a leg.
- ⇒ **Legal Head Catches**— Slick horns, half head, or neck.
- ⇒ ARHFA is only allowing two loops: one head and on heel loop. Flagger and/or judges may determine who gets a new steer.

Finals

The top horses that advance to the final go round will keep their cumulative score from the first three go rounds. The horses/exhibitors will work in the order of lowest cumulative score to highest. The final go round score will be added to the cumulative score from the first three go rounds to get a total score. The horse/exhibitor with the highest score from all three rounds will be crowned the Champion in each class.

Limited Open Eligibility:

- ◆ Must be a USTRC #6 and lower Header to be eligible for Limited payout
- ◆ Must be a USTRC #7E and lower Heeler to be eligible for Limited payout
