ARHFA Scoring Format:

- ◆ **Scoring:** ARHFA scoring format is based on 2 Judges scores + a Time score to get the total run score. Example: Time on the run is 5.0 we turn the time into a point value by taking an 80 point value and minus the time on the run (80pts - time of 5.0 = 75points) to get the Time Score, then we add the 2 judges scores to the Time Score to get the total run score.
- ◆ **Total score example:** Time Score = 75pts + Judge 1 score (70) + Judge 2 score (72) = 217 total score.

Entries are to be typed and filled out completely! If emailing entries with a CC payment be sure to SAVE entry to your computer and Email to ARHFA as an attachment.
